### <del>Me</del>xican Menace STIRS TAFT ON THE **NEUTRALITY LAWS**

President Urged by Madero Asks Congress to Change Them to Maintain Peace.

QUICK ACTION IN SENATE

Code to Be More Drastic on the Transportation of Arms Across the Border.

WASHINGTON, March 18.-Presiden Test pointed out to members of the Cenate Foreign Relations Committee and the Texas Congressional delegation at a conference at the White House to-day ate Foreign Relations Committee and that the neutrality laws of the United that the neutrality laws of the United States were not specific enough, and is reported to have said that unless Consress enacted new measures it would be difficult to preserve peace with Mexico.

After the conference the Senate Committee on Foreign Relations held a meeting and framed a joint resolution which would prohibit the shipment of arms from the United States into any State on the American continent which is in a condition of disorder. The resolution

unanimous wote passed a resolution was a bright, winsome girl and Hawley empowering President Taft to issue a took a great fancy to her. He immediand ammunition across the Mexican educated up to that time in a public border constitutes a violation of the institution in New Jersey. Mr. Hawley

To-day's action was a direct result of the appeal of Freedent Madero of Mexico to President Tast, through Ambassador Martines y Crespo here, that the United States put into effect a stricter neutrality in Texas. The Ambassador had suggested to the President that the present laws were framed in the early part of the last century when problems such as recently have arisen were not even dreamed of.

Maxico, in effect, asked the United States to prevent shipments of arms into To-day's action was a direct result of have a very liberal education
